26 May 2016

Dear Tina Pickup

Proposal: 4 x 18m high, small scale free standing, vertical axis wind turbines
Location: 4 Penner Road, Havant, PO9 1QH
Ref: APP/16/00313

Thank you for informing us of the further information available regarding the planning application for the erection of four 18m high wind turbines at 4 Penner Road. Whilst we appreciate that the applicant has now provided further information in the form of a risk assessment in Annex I of the Environment Impact Statement, the inaccurate information in the report has not been corrected and the failure to provide sufficient, accurate ecological information remains as per our previous response on 10th May 2016.

In conclusion we maintain our objection to this application due to insufficient information.

Yours sincerely

Heather Richards
Conservation Officer
