To Whom it May Concern,

I have personally used the services of Mr Roy Ruffle for the last 12 years, and I can confirm that I am very familiar with Home Farm and Hayling Truck Centre.

We have visited the site between 4 and 5 times a month, and I have seen constant use of bays 4 and 5, as shown on the plan attached, and we have had work done on our lorries and left lorries on site for months at a time.

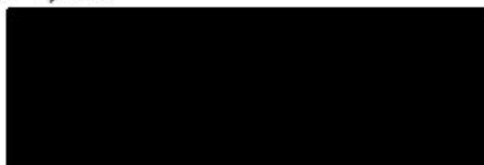

I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the statutory declaration act 1835.
