Hi Daphney

Here are my comments regarding the Station Road, Hayling site.

I do have a couple of other things to mention.....

1. Design and Access Statement page 15, para 4 starting '*It is considered that the new homes....*'. This para talks about 1-1.5 storey bungalows sited along the eastern boundary. Looking at the indicative layout I can't see any bungalows.
2. Design and Access Statement page 20, para 6, starting '*Across the scheme, parking has been designed.....*'. This para talks about undercroft parking, again can't see any of this.

Hope this is helpful

Regards

Julie
