

Dear Tina,

APP/16/00364 | Demolition of timber building and garages and erection of new 2 storey building containing 5No. 2 bed flats (revised scheme to that approved under Planning Permission APP/15/01265). | 3 Elm Grove, Hayling Island, PO11 9EA 16.0697

Thank you for consulting me on this application. Please accept my apologies for the delay in responding to you.

The application is not accompanied by any ecological information and I have therefore undertaken a non-exhaustive desk-based assessment using the application documents, recent GIS mapping and online sources. In short, the building is situated in an urban location and is of a type that would not be likely to support legally-protected species. I do not consider that further information is required.

If you have any queries please don't hesitate to contact me.

Kind regards,

Tristan
