DC Case Officer:	David Eaves		
DC Case Officer Extn:	44 6549		
Application Number:	APP/15/01216		
Site Address:	Rear of 50- 52 Creek Road, Hayling Island, PO119RE		
Proposed Development:	Erection of flat roof brick store to rear of 50-52 Creek Road. Removal of existing container on completion of the works and formation of 2No. parking bays to rear of shop. I attach a copy of the above application that has been received under the Town and Country Planning Acts. Any views you should wish to make should be returned to me no later than 25 December 2015.		

Observations / Comments:

I have perused the documentation provided by the applicant and have no objection to the proposed development. I would however ask that the following informatives be added to any approval that may be granted.

Informatives:

Regarding Hours of Work:

You are hereby requested to ensure that no works or ancillary operations associated with any demolition, excavation, clearance and construction works at the development, which are audible at the site boundary, shall take place on any Sunday or Bank / Public Holiday, nor on any other day except between the following times: Monday to Friday: 8.00 – 18.00 and Saturday: 8:00 – 13.00.

This is in order to protect the occupants of nearby residential properties from noise and vibration nuisance

Regarding Bonfires:

You are hereby requested to ensure that no bonfires take place on this site, during any phase of the operation i.e. demolition, excavation, clearance and construction works. If you feel you have a legitimate reason for a bonfire, it is recommended you enquire with the Environmental Health Pollution team, at Havant Borough Council, prior to taking this action.

This is in order to protect the occupants of nearby residential properties from smoke pollution.

Regarding Dust Control:

You are hereby requested to ensure that dust mitigation measures are put in place, to prevent any potential dust nuisance from occurring during the demolition, excavation, clearance and construction phases of the development.

This is in order to protect the occupants of nearby residential properties from dust pollution.

Regarding light pollution:

You are hereby requested to ensure that any external lighting that may be installed on this site, within the grounds or attached to the proposed building, is so positioned so as not to cause nuisance.

This is in order to protect the occupants of nearby residential dwellings from light pollution.

Please contact me should you require any clarification of any of the above items.
