Dear Sir

Proposal: Two storey side extension.
Site: White Gates, Edward Gardens, Havant, PO9 3JJ.
APP/15/00910

Thank you for your letter of 09/10/2015.

Please find attached a plan of the sewer records showing the approximate position of a public foul sewer within the site.

- No works parallel to the sewer within 500mm (in plan).
- No new soakaways should be located within 5 metres of a public sewer.

Due to changes in legislation that came in to force on 1st October 2011 regarding the future ownership of sewers it is possible that a sewer now deemed to be public could be crossing the above property. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its condition, the number of properties served, and potential means of access before any further works commence on site. The applicant is advised to discuss the matter further with Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk.

Southern Water requires a formal application for any new connection to the public foul and surface water sewer to be made by the applicant or developer.

No surface water is permitted to discharge to the public foul sewerage system as it could cause flooding to downstream properties.

We request that should this application receive planning approval, the following informative is attached to the consent:

"A formal application for connection to the public sewerage system is required in order to service this development, Please contact Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk".

Yours sincerely

A handwritten signature in black ink, appearing to be 'mmR'.
