Dear Sir

Proposal: Demolish existing garage and store. Erect two-storey side extension.
Site: 11 Norton Close, Waterloooville, PO7 7AG.
APP/15/00261

Thank you for your letter of 12/03/2015.

Please find attached a plan of the sewer records showing the approximate position of a public sewer within the site. The exact position of the public sewers must be determined on site by the applicant before the layout of the proposed development is finalised

Please note:

1. No construction works parallel to the sewer within 500mm (in plan).
2. Where within three metres, foundations to be taken down 150mm below the invert level.
3. Sewer to be bridged by PCC lintel to Building Control specifications (where applicable).
4. Replacement work to be carried out in approved material (not PVCu).
5. No internal public manhole.

The works will be subject to approval under The Building Regulations.

Furthermore, due to changes in legislation that came in to force on 1st October 2011 regarding the future ownership of sewers it is possible that a sewer now deemed to be public could be crossing the above property. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its condition, the number of properties served, and potential means of access before any further works commence on site.

The applicant is advised to discuss the matter further with Southern Water, Sparrowgrove House Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk.

Southern Water requires a formal application for a new connection to the public foul and surface water sewer to be made by the applicant or developer.

We request that should this application receive planning approval, the following informative is attached to the consent:

"A formal application for connection to the public sewerage system is required in order to service this development, please contact Southern Water, Sparrowgrove House Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk".

Yours sincerely
