

Bulbs planted in clusters in large grass areas and under trees to add spring interest.

AM is a mixed native hedgerow to be planted in double staggered rows in a natural style. The hedgerow will run along the boundary from the North of the carpark by plot 20, clockwise to area South/West of flats 21-48 as shown in plan. Additional native planting will be included inside boundary to provide an additional natural buffer zone.

Bed AAD. Wilflower turf laid on soil mounded in a bund to form social 'Outdoor Room' around T20. See specification for detailed species list.
