

- Notes:
- Setting out co-ordinates are to external brickwork dimensions.
 - All setting out dimensions to be checked against the latest Architects working drawings prior to the start of any excavation or construction on site.
 - All handings of houses to be checked against the latest Architects planning layout. Any discrepancy to be reported to the Engineer immediately.
 - This drawing to be read in conjunction with all other relevant Architects and Engineers details.
 - Do not scale, work to figured dimension only.
 - Should any discrepancies be found, Engineer to be contacted immediately.
 - Should check dimensions be required please contact the Engineer.
 - The client is to check that all land required for the development is within their ownership and the proposed plots fall within their ownership boundary based upon the agreed land registry title.
