APP/16/00222 Sir George Staunton County Park, Havant

Conservation Officer support

I have had detailed pre application discussions with the applicants regarding the play equipment. Due to its age the existing play equipment is starting to require a lot of maintenance. The opportunity has therefore been taken to replace the existing equipment. The proposed equipment is therefore considered entirely appropriate for this location and will not have an adverse impact on the Conservation Area or the setting of nearby listed buildings. It will be largely constructed of natural timber which will also help integrate the scheme into its surroundings.
