Daphney,

We are aware of queries raised by three consultees in reference to the discharge of conditions application, with particular reference to Conditions A13 (Site Compound and Storage) and B10 (Drainage), and provide the attached documentation to address the queries.

I understand that you are on leave this week which is why I have copied in HBC Environmental Heath, Environment Agency and Hampshire County Council directly.

I trust this responds to the queries raised but do not hesitate to contact me if you require anything further.

Kind regards
Jo
