

Northney coastal footpath East of Havant Road Hayling Island

APP/16/00678 – Coastal pathway improvements along Northney Road (west of Langstone Hotel) and section of wall by tidal outlet flap

Fully delegated Officer decision from Chichester Harbour Conservancy

Recommendation – No objection, subject to implementation in accordance with submitted method statement and stated surfacing materials.

Following a site visit made 17.8.16 and having regard to the Policy framework* below, the proposed works to improve this footpath are supported and will help non-vehicle users to safely explore this part of the AONB and perhaps lessen the potential for flooding at high tides, where this area is known to flood.

Yours sincerely

Steve Lawrence MRTPI,
Planning Officer,
Chichester Harbour Conservancy,
