Dear Sirs or Madam

Some time ago I received a letter from you stating that the requested temporary porta cabin permission had been refused.

My neighbour Mr I. Fields at number 2 & 2A Eaststoke Avenue still has had a very large steel porta cabin in his front garden which has been there for nearly two years.

He clearly has not taken any notice of the refusal issued by the council and it still remains in his front garden.

The application to build two houses on the above plot has also been refused so the temporary porta cabin is now no longer required, several of my neighbours have asked me if I knew when it was going to be taken away (Mr W. Biggs at number 85 Southwood Road and Mr C. Robinson of number 4 Eastoke Avenue.

This porta cabin has not been used and is an eye sore on the local area, is there any way the council can force Mr I. Fields to remove it please.

Thank you for your help

Yours sincerely

Peter J. Snell
