Subject: RE: Planning Application APP/16/00380 Land South of, Ranelagh Road, Havant

Dear Mr Eaves,

Planning Application APP/16/00380 Land South of, Ranelagh Road, Havant

Thank you for your recent consultation. I would refer you to the archaeological response regarding previous applications at this site. Some archaeological concerns were raised and these concerns were secured by the imposition of archaeological conditions to the planning permission. I can confirm that an archaeological survey was carried out. It identified a small amount of archaeological works was required to address the archaeological potential of the site, notably the discovery of a few prehistoric cremation burials. This archaeological work was also completed and a report submitted. All the archaeological field work for this parcel of land has been completed. Therefore I would not raise any archaeological issues with regard to the details of this planning application.

Yours sincerely

David Hopkins
