Comment Reasons:

Comment: Regarding the above application Mrs Simmons again has not made any mention regarding parking for these flats and it would be interesting to know where this is going to be as I can not see them paying for 24 hrs parking.

As you can see by my address I live quite near to this site and I am concerned our road may be used by the occupants of the flats and not the car park.

Daily we have cars parked outside our houses because they will not pay use the car park.

Now we are having water sports on Hayling it will attract more people with that kind of interest, so parking will be a bigger issue, trying now to park at times in our own driveway is becoming a work of art.

So please give this some consideration when making your final decision.
