05/1234/00

APP/15/00919

Application site address

Land north of Station Road.

Applicant's name

Mrs. Wright

Why you think permission should  
or should not be given

Before panning permission is granted, due consideration needs to be given to the limited width of Station Road, leading to West town. Sections of Station Road are of limited width, and only the south side of the road has a narrow footpath which cannot take a push chair, a wheelchair, or senior citizens needing to support each side by side.
