Dear Sally

I understand that you are dealing with the above named application. As such, please find attached Sport England's formal consultation response for your consideration.

You will note, I have recommended a condition to ensure the artificial grass pitch for rugby is fit for purpose. I also asked for this information to be submitted as part of the application. If the applicant submits such information to the satisfaction of the LPA (in consultation with Sport England) prior to the determination of the application then such a condition will not be necessary.

Yours sincerely

Heidi Clarke
