Case Officer: Bee Crawford

Customer Details

Name: Miss Wendy Ewens

Address: 5 Anthony way Emsworth

Comment Details

Commenter Type: Complainant

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I own the house next door to this property, I took ownership in April 2015, I understand from reading the above application that it was processed after we moved in. However we received no information or notice about the extension giving us time, or option to object.

We most definitely object to the 2 storey extension, the single storey was ok but now the second storey has gone up it blocks a lot of the light out of our sitting room. We have looked on line regarding the right to light and found out about the 25/45 degree angle from the window sill, the second storey falls well beneath these angles.

I would like to know why we received no correspondence regarding the extension and would like to speak to someone about our options and what can be done about this. I believe that even though the permission has been granted that it can still be stopped if a complaint is raised and either amended or compensation considered.

Please contact me as a matter of urgency as the work is not yet complete and would like this addressed before it is.

We are having to have our lights on all day if needing to do anything other than just watch tv, this is obviously putting up our energy bills.
