Hi Daphney,

Thank you for your email regarding this planning application.

As the property would lie in Flood Zone 1, we would not expect a Flood Risk Assessment and have no comments or objections to the proposal.

Please let me know if you have any further questions.

Many thanks,
Emily

Emily

Demolition of former Scout Hall and erection of 2No. 3 bedroom houses.

This site backs onto the Hermitage stream hence the very rear of the gardens for the propsoed dwellings are in Zone 3, but the remainder in zone 1.

In such circumstances would you require any measures in respect to flood risk?

Best regards
