05 August 2015

Dear Mr Jarvis

**The Town and Country Planning (Development Management Procedure) (England) Order
2015
County Consultation**

Application Number: APP/15/00757

Site Address: Farlington Redoubt, Portsdown Hill Road, Havant

Proposed Development: County Matters Application to vary Condition 9 of Planning
Permission 10/00141 (to increase permitted throughput).

I refer to the above application which is to be determined by the County Planning Authority and referred to me for the formal observations of this Council as Local Planning Authority, and write to confirm that the application has been considered.

This Council **Raises No Objection** to the development as described above subject to compliance with:

- (i) The plans and other documents submitted with your application and;
- (ii) The imposition of the following conditions:

Conditions:

- 1 The site shall handle a maximum of 150,000 tonne's of waste per year. A monthly record of the tonnage of waste handled at the site shall be kept at the site and be made available to the Waste Planning Authority on request.

Reason: In order to control the scale of the development in the interests of amenity and having due regard to policy DM10 and DM12 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.

- 2 The increase in the quantity of waste being handled at the site hereby permitted shall not commence unless and until the wheel washing facility has been provided at the site. The wheel washing facility shall thereafter be maintained at the site and operated alongside the existing mud control operations including the regular use of a road sweeper.

Reason: To prevent the transfer of mud onto the highway and having due regard to policy DM10 and DM12 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.

Yours sincerely

Andrew Biltcliffe
