Dear Sirs

Fishery Lane PS – Root foundation and extension of existing concrete base to support telecoms equipment
Your ref: SWS0025/LL1/T1

I hereby give consent on behalf of Southern Water Services Ltd for the root foundation to support a 15 monopole and extension of existing concrete base to support a new vulcan cabinet detailed within drawings numbered 130542-201 to 130542-203 and 130542-301 dated 14 May 2015 which accompanied James Fowkes's letter dated 13 August 2015. This consent is subject to the following conditions:

1. All covenants and conditions to the Global Head Lease dated 17 January 2013 remain in full force and effect.
2. That the detail provided in support of the proposal is correct in technical terms and Wireless Asset Company Ltd (WAC) is the responsible party in this regard.
3. To check in advance for the presence of any pipework and cabling in the working area.
4. That if any Southern Water infrastructure is unexpectedly located during the ground excavation work, then such work must cease immediately and Southern Water are to be notified by calling 0330 303 0368.
5. Payment of Southern Water's costs at £250, to be made within 14 days of this letter.

In mind of Clause 16.5 of the aforementioned lease, I confirm SW waives a requirement for a Deed in this particular instance.

Yours faithfully

Daniel Clark
Senior Surveyor
Property Services
