White Hart 1 East Street

Applicant's name

Why you think permission should
or should not be given

Please note that although the application states that the building is not listed, an application to English Heritage for listing was made in 2012, the result of which is due soon.
As the application states that no alterations will be made to the outside of the building, the above may not be relevant in respect of this particular proposal but should be noted for future reference.
