Proposed Soft Landscaping Key 1:50

SEE DRG. NO. 2980/207 FOR SOFT LANDSCAPED
AREAS & PLANTING BED LOCATIONS

Ground dimensions to be taken in preference to scaled.

Dimensions must be checked on all before work commences.

No deviation from this drawing will be permitted without the prior written consent of the Architect.

Ground level is also shown on this drawing and the work below ground is shown provisionally by dashed lines.

Inspection of ground conditions is essential prior to work commencing.

Where necessary, a test pit or trial excavation shall be made and redesign may be necessary in the light of soil conditions found.

The responsibility for establishing the level and subsoil conditions rests with the Contractor.
