

11th September 2015

Steve Weaver

Havant Borough Council – Planning Department.

Dear Steve,

RE: Hybrid Application: Incorporating a full and outline planning application for a total of 191 dwellings with access from Glenleigh Park, Hallet road, Fifth Avenue and Blenheim Gardens.

REF: APP/12/01222

Further to the planning approval for the above planning application and the release of the conditions relating to the site, I am writing to request discharge of a number of conditions listed below;

Condition 30, Continuation;

This is a compliance condition which under the current application all the groundworks has been completed. I can confirm now that all the foundations have since been installed and the gardens levelled so essentially there is no more additional groundworks to take place. Based on this and the fact that no unexpected contamination was found I am hoping this condition can now be cleared.

We trust this submission combined with the earlier submitted and reviewed contamination information now completes the discharge process.

However, should you have any further queries please do not hesitate to get in touch.

Yours sincerely,

Dave Lawrence
Technical Project Manager
