

Dear David,

APP/15/00303 Havant Health and Well-Being Campus, comprising an 80-bed nursing home, 51 affordable extra care flats, 48 affordable and market supported living flats, community hub facilities, landscaped amenity gardens, car parking, with vehicular access from River Way and Leigh Road and pedestrian access from Lavant Drive and Crossland Drive with associated infrastructure Former Oak Park School, Leigh Road, Havant 15.0598

The recently-submitted Precautionary Working Method Statement (PWMS) (Enzygo, February 2016) provides a sensible precautionary approach to facilitating the scheme of archaeological trenching. I am content with the measures proposed and these should not compromise the ongoing reptile survey and mitigation works.

If you have any queries please don't hesitate to contact me.

Kind regards,

Tristan
