DC Case Officer Extn: 44 6538

Application Number: APP/15/00645

Site Address: Development Site North of, Goldring Close, Hayling Island

Proposed Development: Discharge of Condition No/s 8 and 18 of Planning Permission APP/12/00966.

I attach a copy of the above application that has been received under the Town and Country Planning Acts.

Any views you should wish to make should be returned to me no later than 21 September 2015.

Observations / Comments:

I have perused the documentation provided for the discharge of Condition 8. Having studied the revised street lighting layout and taking cognizance of the external dwelling lighting proposals, I can advise from this office's outlook that this condition can be discharged.

I do not believe my remit covers the potential impact on wildlife and would suggest this has been covered in the submitted Ecological Planning & Research Ltd letter & the response from Natural England.

If you should wish to discuss any of the above, please do not hesitate to contact me.

Mr. Mark Moss

Regulatory Officer, Environmental Health
