On Behalf Of: Conservation Officer

Comments

Comments based on desktop assessment. The Design & Access Statement and accompanying photographs provide a good illustration of the present situation. The building has been much altered and the present fenestration is very poor. I feel an opportunity has been missed in not reinstating the sash pattern of window in the front elevation. That said, what is proposed appears infinitely better than what currently exists so it is difficult to contest. Therefore raise no objection.

John Townsend

Conservation Consultant
