Application No. APP/15/00883

Site Address: Land rear of 109 London Road, Cowplain, Waterloooville, PO8 8XJ
Proposed Development: Discharge of Condition Nos. 3, 4, 5, 8 and 8 of Planning Permission APP/15/00255

Landscape Comments in connection with Condition No 4

1no Prunus Maackii is not identified on the plan. I suggest this can be planted on the corner opposite the houses once the existing topsoil stockpile has been spread.

Anticipating the proposed Laurels will comprise plants in 3L containers, I recommend the number is doubled to 20no for the area indicated along the rear boundary.

The adjacent neighbouring gardens appear reasonably well screened by existing mature vegetation so I do not envisage any additional requirement beyond that already mentioned above.

I trust the above is reasonable – any queries, please don't hesitate to call.

Kind Regards
