Please provide the following information below : tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

E.g. Oak (T3) - felled because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.

FELL T1 & T2 (2 x Hornbeams)

T1, roots, causing heave in drive way, by garage, with possible incursion to drainage system.

Replace both trees with silver birch or rowan.
