Dear Chris,

Further to our telephone conversation on Monday, please could you advise of your clients intentions with regard to the above application.

As submitted my recommendation would be to refuse the application on the grounds that the single detached dwelling as proposed would not accord with the established pattern/form of the adjacent development and as such would not accord with local plan policy CS16.1.

I would advise that this application is withdrawn and that a more suitable scheme would be for an end terrace dwelling with parking provision shown on plan.

Kind regards

Heather
