

Chichester Harbour Conservancy Comments on planning applications

(decided under officers' delegated powers)

This wall is in a prominent location on a public footpath leading to the Harbour shoreline, presumably being removed to make manoeuvring into applicant's garage easier. Wall removal acceptable as does not contribute much to enclosure of the public realm within the Conservation Area and would improve driver visibility of those using the public footpath to reach/return from the Harbour.

Application No:	Site:	Application Details:	Recommendation:
APP/15/01043	4 THE FISHERMANS, EMSWORTH, PO10 7BS	REMOVAL OF WALL	No objection subject to the footprint of the wall being treated with tarmac once the wall has been removed or alternatively a line of bricks finishing level with the surrounding tarmac to offer a memory of that part of the original dwelling layout/design.
