Dear Sirs,

Outline application for residential development for 43 residential dwellings with access off Woodcroft Lane and emergency access off Eagle Avenue with all other matters reserved at land adjacent Woodcroft Primary School, Woodcroft Lane, Waterlooville, PO8 9QD.

Thank you for consulting Hampshire County Council (HCC) on the above outline application. HCC have been consulted due to the proposed development falling within the Mineral Consultation Area for safeguarded mineral resources, in accordance with **Policy 15: Safeguarding – mineral resources** of the adopted Hampshire Minerals and Waste Plan 2013.

Due to the scale of the proposal, it is expected that this development would not impact safeguarded brick-making clay resources in this area. As such, Hampshire County Council will not place an objection at this time.

Please do not hesitate to contact me if you have any queries or wish to discuss any of the above in further detail.

Yours faithfully,

Miranda Petty
