Subject: CONS/15/00611 - Meadow Farm Nursery, Woodgaston Lane, Hayling Island, PO11 0RL

The consultation for Development Control Application No. APP/15/00427 has been allocated to 341* for comment. The Environmental Health reference for this consultation is CONS/15/00611

.

Additional comment in relation to Ground Contamination / Pollution / Air Quality may be received under separate cover, where these issues are relevant.

Environmental Health has registered the application with the following information:

Location:

Meadow Farm Nursery, Woodgaston Lane, Hayling Island, PO11 0RL

Proposal:

Change of use from agricultural building to a flexible commercial use (within class B8, Storage and Distribution) subject to prior approval covering flooding, highways and transport issues, noise impact and contamination risks on the site.

I attach a copy of the above application that has been received under the Town and Country Planning Acts.

Any views you should wish to make should be returned to me no later than 14 May 2015.

Consultation Comments due by:

21/05/2015

If the above information is not correct, or there are subsequent changes to the application type, site description or proposals; please contact the allocated case officer.

* - Please note, there is a technical issue with returning the corresponding case officer description - EH are working to resolve these issues. In the meantime, current codes relate to officers as indicated below:
