

**Gary & Kim Illingworth**

1<sup>st</sup> April 2015

Dear neighbours,

We wish to confirm that building work is planned to commence in June and is expected to take approximately five weeks to complete.

However, in order for us to comply with the party wall agreement 1996 we are obliged to inform you of our building intentions and to have drawings available for you to view.

If you would like to see the drawings or discuss the proposed work then we would be happy to show them to you and try to answer any questions you may have.

In the meantime if you do not have any objections to the building work then would you be good enough to sign, date and return this letter To me at no 14 at your convenience

Yours Sincerely

Gary and Kim Illingworth
