Dear Daphney,

Planning Application: Tamarisk, Hayling Road, PO11 0DG – Demolition of existing dwelling and construction of new dwelling with associated landscaping and improvements to sea defences.

Reference: APP/15/01355

Many thanks for your consultation on the above consultation. I can confirm that the Eastern Solent Coastal Partnership has no objection to the above proposal. The improved coastal defences, raised floor levels and other resilience and resistant measures mitigate the flood risk appropriately.

It should be noted that access to the site via Ferry Road may be limited during an extreme tidal flood event (in particular the locality adjacent to 'the Kench').

Many thanks,
