Ian,

I am afraid it has come to light that a batch of neighbour notification letters went out in one envelope. They were kindly returned to us last week but as we are aware that they did not reach the properties concerned have reissued them. As a result the publicity date for comments does not expire until 15th October 2015.

That date is of course beyond the planned determination date of 2 October 2015. In the circumstances would you agree, please, to an extension of time until 23 October in order to have time to assess any representations and do the report/recommendation.

I apologise for this but would hope you can accommodate the request.

Regards

Sally
