To whom ever it may concern,

Please find enclosed a petition created for you to take our opinions into account with regard to the recent planning application at 14 market parade, Havant po9 1QF. Application number APP/15/00269.

Included is a copy of signatures gained from online as well as signature received within local businesses within Market Parade. Also included is a copy of the comments people left when they signed online. The general feeling is that Havant does not need another food outlet as there are far to many as it is. Havant is becoming a town Centre full of food outlets and charity shops Havant needs some variety not copies of what we already have.

Many thanks for taking the time to read this

Shelley Somes

Recipient: havant planning applications

Decline the proposed application for another grill, ice cream parlor and milkshake shop in Havant

The Havant planning team is considering a planning application for yet another food outlet on market parade including a grill ice cream and milkshakes. If this happens it will have a big impact on the small food businesses and lead to possible closures. Please sign to oppose this application and support the small businesses we already have. Havant need variety not more food outlets that will just add stress to the existing businesses.

The Havant planning team is considering a planning application for yet another food outlet on market parade including a grill ice cream and milkshakes. If this happens it will have a big impact on the small food businesses and lead to possible closures. Please sign to oppose this application and support the small businesses we already have. Havant need variety not more food outlets that will just add stress to the existing businesses.

Roxy Barber	Havant, United Kingdom	2015-04-14	I don't want to see the local businesses loose out or have no option but closure after they have put alot of time effort and money into their venture. There are too many big chains and not enough support for family run/ local businesses who also have the local community and people in mind.
Briannney Frampton	Havant, United Kingdom	2015-04-14	My children love the family run business that is already situated in the centre the prices are amazing also! Would rather sit in a nice atmosphere run by a family trying to make a living then in a business run atmosphere with through the roof prices!
Lisa Kennedy	Havant, ENG	2015-04-14	Because this is a small family business that we need to keep in Havant
Karla clark	Portsmouth	2015-04-15	im supporting another local small business
Leeanne Wingham	Havant, ENG	2015-04-15	I am signing because I believe this could put another business owner out of business as I know they have worked so hard to build what they have to support and provide for people in the local community! I feel this is what it's all about local small business.
Anne Al-Balushi	Fareham, ENG	2015-04-15	Havant needs more variety of shops the local businesses only have limited customers. Increased variety of shops means for customers for everyone rather than splitting the limited market too fine with the risk of small businesses going bust.
Paul Clark	Portsmouth, United Kingdom	2015-04-15	I know shelly
Samantha Plummer	Havant, United Kingdom	2015-04-15	Another ice cream parlour is not needed.....!!!
Ste mason	Nutbourne, United Kingdom	2015-04-15	im signing because I believe it's important to suport tho local businesses that already exist and bring more variety into the area rather than more of the same that would all then have to compete for trade and put her more stresses one local buisnesses as a exsample the new news agents that has just opened in market parade when there is already one there with the new one breaking the alcohol licences within 1 day of being open
Brian Cooper	Portsmouth, ENG	2015-04-15	Havant need a vast collection of shop's for the locals to enjoy and browse instead of food outlets. There is already major food outlets within walking distance of each other if people are hungry. Family run shops are struggling because larger chains and franchise shops are sucking the life out of havant. Small local businesses are being run to the ground because they don't stand a chance against the bigger brands. So PLEASE deny Scoops permission to open a store in Havant and move it to an area like Park Parade where there is plenty of empty units.
Neil Arnold	Kellis	2015-04-15	As this is my hometown, and I am a regular visitor, I believe more variety should be encouraged with shops there rather than just premises serving takeaway foods or sweets, especially those with chain, franchise. Other trades such as hobbyists, and suchlike should be preferred in the area, with small business in mins rather than causing local small business owners to struggle to survive. , causing them to close and ruining the look of an alresdy dishevelled town shopping area
Lorraine Bastow	Havant, United Kingdom	2015-04-15	Just Dessertz has not long opened in Havant and I think they should be given a fare chance to get there business up and running before similar competeters are allowed to open up close by.
Toni Frost	Havant, United Kingdom	2015-04-15	It will ruin my friends small business in the same area

Name	Location	Date	Comment
Claire Davies	Havant, United Kingdom	2015-04-15	They local people need are help
shellby-rose wood	Havant, ENG	2015-04-15	I think there should be better and bigger shops and Havant town centre and park parade all have the same shops near enough we need shops like Primark, H&M,JD, Select and bigger shops like Portsmouth town centre
Michelle Becque	Havant, United Kingdom	2015-04-15	I agree that we should be supporting local family business not potentially destroying a fantastic one by allowing a greedy over franchised chain with no community spirit to be within doors of this one.
Kelly Edney	Havant, United Kingdom	2015-04-15	We need more variety of shops not another cafe/ice cream parlour/grill there is simply too many!
rebekah-May Russell	Havant, United Kingdom	2015-04-15	There are too many food places in havant, we need more variety of places. not to mention fact it will put the businesses we already have out of business?!
Jamie Fry	Havant, ENG	2015-04-15	I want to support small businesses, especially Just Desserts ice cream parlour in Havant which is a beautifully presented, clean and friendly place to go for a treat. The prices are fair and the menu is plentiful, I'd hate to see this small business affected by a corporate chain with substandard cleanliness and hygiene standards who won't be able to greet you by name and have that personal, local feel.
carrie morby	Havant, United Kingdom	2015-04-15	Because how is anyone going to make a business in a small town with everything being the same we only need one desert shop . So instead why not open a decent shoe shop or a mens clothing shop
emma bath	Havant, United Kingdom	2015-04-15	we do not need a ither ice cream palor
Jessie Stacey	Havant, United Kingdom	2015-04-15	The British public are becoming fanatical about food, and not the healthy kind. A more variety of shops need to be produced which support other types of hobbies, such as: fitness, clothing, furniture, tattooing etc.
Josh Sharp	Chichester, ENG	2015-04-15	My mates shop is in Havant
Kerri Warner	Havant, United Kingdom	2015-04-15	Too many of the same shops in Havant we need a different varieties!! Clothes and shoe shops for all ages! ! not all second hand shops and fastfood!!!
Nicola Stanley	Havant, United Kingdom	2015-04-15	There's no need for another shop the same that's already there
Louise Crook	Havant, ENG	2015-04-15	Give a small family run business a chance to run
Lesley Evans	Havant, United Kingdom	2015-04-15	there are already enough places to eat and drink in Havant which will all suffer if yet another one is opened
Julie Collins	Portsmouth, ENG	2015-04-15	It's important to keep havants small businesses in business
Victoria kemidge	Havant, ENG	2015-04-15	We have one decent ice cream parlour we don't need another one in Havant. park parade needs to be sorted!!
Amilda Robinson	Portsmouth, ENG	2015-04-15	We need to see more smaller local family businesses in our towns. It keeps the community together.
Daniel walker	Waterlooville, United Kingdom	2015-04-15	Just desserts owners have worked there fingers to the bone to get where they are now,it's a perfect example of a bigger corporation running smaller businesses out of work, local communities need the smaller brands like these,please don't let them build/ open a shop in the area
Helen Waterfall	Havant, ENG	2015-04-15	I'm signing this petition because I feel it is very wrong to allow a large company to come along and take away the customers of a well run local business, there is already a dessert / ice cream shop and also a grill cafe which has a lot of customers which have been going there for a while. I feel it would be very wrong to allow a large company to take away local people and local companies business.
deborah ansell	Portsmouth, ENG	2015-04-15	There are too many around. Give us something different

Name	Location	Date	Comment
Lorna Brown	Winchester, United Kingdom	2015-04-15	I think havant don't need an overpriced ice cream shop when you have a friendly and affordable one there already
leah martin	Portsmouth, United Kingdom	2015-04-15	I think we only need one dessert shop. havant is getting and looking awful invest money in vamping up the crap thats there. instead of trying to ruin small family businesses
becky morgan	Havant, United Kingdom	2015-04-15	This lady is amazing and i feel she needs all our support x
Donna Foster	Havant, United Kingdom	2015-04-15	Local business should be allowed to thrive and not get pushed out by others,
Helma Watts	havant, ENG	2015-04-15	I'm signing because we do not need another business of this sort. There are too many food outlets in Havant and Park parade. We want proper shops like Portsmouth and Southampton,
Colleen Haytor	Portsmouth, United Kingdom	2015-04-15	Havant needs variety within their shops. No more food retail
Aaron waterfall	Havant, ENG	2015-04-15	I think that it is out of order on just-dessertz as it is a nice place to go and I think scoops is shi been there once and won't be going back even if it does come to havant I will still go to just-dessertz
heather jones	Havant, United Kingdom	2015-04-15	We dont need or want another food outlet we need more clothes and shoe shops for kids
Emma Orick	Portsmouth, United Kingdom	2015-04-15	My friend has set up a shop and work so hard for a known big chain to come and take over would destroy her buisness
sarah ellis	Havant, United Kingdom	2015-04-15	We should support small businesses and allow the ones already in place to grow.
Susanne Bedford	Fareham, United Kingdom	2015-04-15	I think it's outrageous that a chain shop would try and open doors away from a local family run business
sam miller	Havant, ENG	2015-04-15	There is not enough support for local family businesses. Havant needs more variety of shops not loads of the same, especially in the same street.
Anthony kennedy	Havant, United Kingdom	2015-04-15	we have far to many cafes etc
Tracy carroll	Waterlooville, United Kingdom	2015-04-15	Lets support our small local businesses that are already in Havant.
angela fletcher	Havant, United Kingdom	2015-04-15	You don't need 2 ice cream parlours in the same place it unfair on the smaller businesses
kim smith	Havant, United Kingdom	2015-04-15	Last thing we need is more fatty food places seems all thats left in havant
sue vassallo	Havant, United Kingdom	2015-04-15	Its not fair how about scoops comes to park parade we could do with the buisness here .
bryony honess	Havant, ENG	2015-04-15	I'm signing because there are far to many food shops around we need more clouthes shops or kids shop
Sam jones	Havant, United Kingdom	2015-04-15	There is no room for 2 dessert shops in the same street. Just desserts was here first.
Richard Gomm	Havant, United Kingdom	2015-04-15	We don't need another eatery in havant
Louise Merrick	Denmead, ENG	2015-04-15	im signing because i believe we already have the required shops just outside of the meridian centre so why do we need them again??
			Greed that's why!
			Let's give local bussiness a chance and not be taken over by big corporate industries.
Beki hansler	Havant, United Kingdom	2015-04-15	because I think small run business should be giving a chance

Name	Location	Date	Comment
Lianne Perkins	Waterlooville, ENG	2015-04-15	I support small businesses and with the economic climate they are struggling as it is without more shops like this opening. Havant and waterlooville have too many eating places and not enough shops which is why more people are travel to gun wharf, Portsmouth and southampton
Jake Reeve	Havant, United Kingdom	2015-04-15	I'm signing because I go into Just Dessertz often and furthermore my mum works there. The opening of another ice cream parlour would have a devastating effect on Just Dessertz and should it close down to a lack of business, it will have a knock on effect on the employees and their families, including mine.
Deborah Dignam	Havant, United Kingdom	2015-04-15	I want see some variety rather than the same old thing all the time
michaela waterfall	Portsmouth, United Kingdom	2015-04-15	Just desertz is a lovely local family run business and it isn't fair that the new business would put two local businesses out of business!
Charmain Conway	Portsmouth, ENG	2015-04-15	Its hard enough for independant businesses to get off the ground so putting direct competition such as this when its not needed will be very harmful to the small businesses already there.
Nadia Bosley	Havant, ENG	2015-04-15	We already have an ice cream shop that's friendly and family oriented low costs why do we need another one.
tracy gregory	Havant, United Kingdom	2015-04-15	Totally agree there are to many as it is now and another would just put strain on the others to survive
Donna shepherd	Havant, United Kingdom	2015-04-15	there is already just desserts in Havant! Lovely family run business no need for a big chain to put there shop in Havant
Rachel Bartlett	Emsworth, United Kingdom	2015-04-15	My friend has worked very hard with her shop . Give the small business a chance . not the big chains .
Lauren hayward	Havant, United Kingdom	2015-04-15	I'm signing because I want one of these! Instead of travelling all the way to Portsmouth!
sharon white	Havant, United Kingdom	2015-04-15	What's the point of another one this shop is doing well no scoops
Vicky Davis	Carmarthen, United Kingdom	2015-04-15	I'm signing because even tho I don't live down in Havana anymore I do regularly come back to vist family I was very shocked at how much haven't had changed its all the same how r all these cafe etc going to keep open if all u do is let more open its crazy and stupid and yes for the short term u will have more rent from the shops but in the long term ur putting more out of business therefore u r going to lose money use ur brain it's a no brainer
Claire Faithfull	Waterlooville, United Kingdom	2015-04-15	i am a small business owner and fully agree that they thrive from being unique. Having this open will harm other small business owners which i hate to see
Lisa hayward	Havant, United Kingdom	2015-04-15	its important to keep the small businesses going we already have , not flooding the place with new ones !
tracy alexander	Havant, United Kingdom	2015-04-15	We do not want another grill and restaurant shop in havant
sarah daynes	Havant, ENG	2015-04-15	Supporting family business
Elisha tickner	Havant, United Kingdom	2015-04-15	shelly is right more variety needed in shops instead of takeaways and fast food
Donna Rothwell	Havant, United Kingdom	2015-04-15	give the local people a chance to better themselves. The big chains can easily find another plot
Erin Mabe	Havant, United Kingdom	2015-04-15	I'm signing this petition because I disagree with the another desserts parlour being build as every other shop on market parade are either food shops of charity shops so therefore there is no need for another dessert parlour
ruth Lindsay	Portsmouth, ENG	2015-04-15	ruth lindsay
Tracy Chapman	Havant, United Kingdom	2015-04-15	Tracy chapman

Kerri hitchins	Havant, United Kingdom	2015-04-15	i think two ice cream places will be no much as to many food places in Havant already. And the one we have is a small family business.

Cher Jeffery	Havant, ENG	2015-04-15	Havant is turning into coffee shop/cafe, charity shop, poundshop land with a few phone shops for effect!! We need a good range of decent shops to encourage people to shop here otherwise the precinct will disappear!!

Victor Gonzalez	Southwick, United Kingdom	2015-04-15	Because I love just dessertz
Philip leggatt	Havant, United Kingdom	2015-04-15	havant needs less cafes, charity shops and 99p style stores. Havant needs more variety especially for men. There's hardly any menswear shops in Havant centre itself.

Jenny Hoare	Chichester West Sussex	2015-04-15	Just deserts really do deserve to make a go at there business they are local people and hard working
Avril Huntly	Alnwick, United Kingdom	2015-04-15	I strongly believe in small business enterprise and although I don't live locally, I have seen how hard working and diligent both Shelley and Stuart Soammes are and continue to be, this is to be applauded and welcomed in any community. The larger chains have their place but not in direct competition with local home grown businesses brimming with enthusiasim....determination and hard work should be encouraged and not squashed!
Elaine Gomm-Bayliss	Nottingham, Long Eaton, ENG	2015-04-15	There are already enough of these places there already. Strange as when I lived in Havant up to 13 years ago coffee shops etc were all struggling and I no some have gone. So you do not need more
