Dear Sir

Re: 344 Middle park Way. Havant PO9 5DS Notice under article 11 of application for planning permission.

Our tenant Miss Polly of the above address has asked for permission to erect a 1.80 mt close boarded fence along the pavement at the address. As the owners of the above we are happy for the works to go ahead at the tenants own expense.

If you require any further clarification please feel free to contact me at the above.

Yours sincerely

Peter Trunwitt
Building Surveyor
