Dear Sirs,

Development Site North of Goldring Close, Hayling Island.

Thank you for the opportunity to comment on the request to discharge condition 9,16 and 23 of planning application APP/12/00966. We have been requested to provide comment regarding condition 16. Condition 16 reads as follows:

No development hereby permitted shall commence on each phase until plans and particulars specifying the alignment, width, gradient and type of construction proposed for all footways, roads and individual accesses thereto (including all relevant horizontal cross and longitudinal sections), and the related provision to be made for surface water disposal and a programme for making up of the same for that phase, have been submitted to and approved in writing by the Local Planning Authority. The implementation and making up of the same shall be completed in full accordance with such approved plans, particulars and programme.

This condition relates to internal layout matters and is not subject to a S278 Agreement and therefore our Agents at Havant Borough Council will provide comment on this matter.

Yours faithfully

Ben Clifton

Senior Transport Planner – Highways Development Planning North & West
