Dear Sirs

Householders Planning Application
Single Storey Extension to Rear
312 Middle Park Way, Havant, PO9 5DS

My client, Mrs Susan Symmonds, has instructed me to make a Householders Planning Application for the construction of a single storey extension the rear of the above property, to allow for an extra bedroom for a growing family.

It will be noted that an earlier application, APP/13/00422, was granted in July 2013 but no work related to this application has been carried out.

Now my client wants to relocate the extension as close as possible to the west boundary between 312 and 310, so as to reduce the amount of flat roof required and to remove additional cost of upgrading the existing outbuilding.

I attach copies of drawings;-

04-133-00 1:500 Site plan,

04-133-01A 1:100 Existing and Proposed floor plans and elevations,

04-113-03 1:1250 Location plan,

Completed planning application form and certificates,

The sum of £172.00, to cover the planning application fee, will be made on-line.

I look forward to receiving your approval for the above. If however you should require additional information please do not hesitate to contact me.

Yours faithfully
