

For the attention of Daphney Haywood,

Dear Daphney

Discharge of Planning Condition 19 – Travel Plan for 127A & b London Road, Waterloooville.

Thank you for the opportunity to comment on the above request to discharge conditions relating to planning application 15/00744.

Condition 19 reads as follows:

19. The development hereby permitted shall not be occupied until a Travel Plan has been submitted to and approved in writing by the Local Planning Authority The Travel Plan shall be fully implemented in accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority.

Reason:

In the interests of highway safety and in and having due regard to policy DM13 of the Havant Borough Core Strategy 2011 which forms part of the Local Development Framework and National Planning Policy Framework, March 2012.

Further to my letter dated 6th August 2015, a updated Travel Plan has now been submitted for review. This plan contains further information as requested by the Highway Authority. The details provided address the Highway Authority's previous concerns and is therefore considered acceptable.

Therefore, the updated Travel Plan is now considered sufficient and the Highway Authority now recommends the discharge of condition 19 of the planning permission.

If you have any questions regarding the above response please do not hesitate to contact Robert Neave on the above contact details.

Yours faithfully,

Ben Clifton

Transport Team Leader – Highways Development Planning

Cc Peter Marshall – Havant Borough Council
