Observations / Comments:

Good morning Daphney,

Sorry for the late reply. I have looked at the conditions wanting discharging and have not comment for condition 3, 4, 5, 8. Although condition 8 appears twice in the consultation, I assume that condition 9 was the other condition to look at.

I have therefore looked at condition 9 and have no comment to make, except that the applicant should ensure the use of wheel wash and ensure adequate control of dust throughout the developement time.

I hope this helps

Kind regards

laurent
