Design & Access Statement

HAVANT TELEPHONE EXCHANGE
ELM PARK ROAD, HAVANT, HAMPSHIRE, PO9 2AL.

BT plan to install high speed Broadband to the local area that this telephone exchange serves and as part of this upgrade additional ventilation is required at the above premises. It is proposed to install four ventilation louvres on the first floor to allow warm air out of the building. All as per drawings accompanying this planning application.

The site will not be developed or enlarged in any way. The use of the floor space will not change, it will continue to house telecommunications equipment.

The appearance of the building will not materially change, the extent of the alterations are illustrated on the drawings & photos that accompany this statement.

There will be no changes to any landscaping.

There will be no changes to the existing access arrangements of this building either during the works or following completion of the work.
