

Combined Riders Infant & Junior School Staff Numbers at 3FE

- 24 - Teaching Staff
- 101 - Non teaching Staff

These numbers also include the Independent Pre-School & Kitchen Staff.

Based on the HCC Parking Standards – '*1 space per teaching member of staff plus 2 spaces per 3 non-teaching staff*'. This would suggest 91 car parking spaces should be provided.

Based on this I have increased the amount of tandem spaces that is possible to provide (see attached revised plan) which now shows a total of 69 spaces and 20 tandem spaces (Total 89 spaces)

Although this is slightly less than the guidelines, the evidence included in the Transport Statement states there is sufficient available 'on street' parking to accommodate this shortfall.
