Daphney,  
I can find no record of any formal right of way.  
The plans show the overall height of the wall plus the close boarded fence to be 1.1 metres which is not high enough to cause a highway safety problem with regard to the site lines.

Pip

Retrospective planning permission for demolition of a brick boundary wall between 6 Spring Gardens and Ship Inn Public House within Conservation Area of Emsworth.

You have not previously been consulted on this application but I have received representations claiming that the fence obstructs visibility for cars reversing out of the parking spaces- comments please.

Also the reps refer to blocking up an ancient right of way – can you advise on that/

Any chance of a response for Thursday 6 Nov please?
