Whitbread Hotels & Restaurants

South elevation

- 1. Internally illuminated Premier Inn sign with logo roundel and letters illuminated only. Reynobond® ACM panel is 4355 x 1089mm.
- 2. 300mm Cap height built up Premier Inn letters, moon & stars logo all internally illuminated. Realigned to suit base mounted position with baseline moved down to avoid floating text.

- 3. Internally illuminated Premier Inn sign with logo roundel and letters illuminated only. Reynobond® ACM panel is 1500mm x 6000mm.

East elevation

4. Internally illuminated Premier Inn sign with logo roundel and letters illuminated only. Reynobond® ACM panel is 3630 x 2360mm.

West elevation

5. Internally illuminated Premier Inn sign with logo roundel and letters illuminated only. Reynobond® ACM panel is 4790 x 1198mm.

Sign 5 is subject to review when building is in place.

West elevation currently has limited visibility due to two banks of trees on either side of A27 westbound on-ramp. Sign may only be visible at night when trees are not in leaf.
