Dear Mrs. Smith,

Thank you for your letter of the 27th June 2014 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

To provide for the safety and security of residents and visitors an appropriate level of lighting should be provided along the connecting foot paths and within the car parking area.

I do note that it appears that the basement's external stairwell door has been omitted from the plan. If a door is not proposed at this point, I would recommend that a door is installed to prevent unauthorised access to the accommodation via this stairwell.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,
