Dear Miss Paterson

Re: Oyster Mews, Emsworth, PO10 7BX – APP/14/01287

Please find enclosed the outstanding documents for the application for planning permission as you advised in your email of 21st January 2015.

As you can see, we are looking to replace the current stained wooden windows to white uPVC for the residential properties only on a 'like for like' basis. All windows will be replaced in the same style but in white UPVC instead of wood or aluminium. We are looking to replace all windows on the front aspect (high St), the side aspect (Spring Gardens) and within Oyster Mews development.

Yours sincerely
