

Subject: Re: Planning Application APP/15/00832 at Hooks Lane Ground Clubhouse, Fraser Road, Havant, PO9 3EJ

APP/15/00832

Thanks for that Sally

If you have any queries please ask.

As far as I can tell from HBC records, no hours of use restriction have ever been imposed on the use of the clubhouse building. The hours listed on the application form are current general operation for the rugby club. The club would prefer hours to continue to be controlled through the Licence rather than planning condition.

If you think it is really necessary to control the hours of use of the proposed children's day nursery by planning condition, the hours listed on the form have been advised in consultation with the intended operator.

Kind regards
