Dear Mrs Organ,

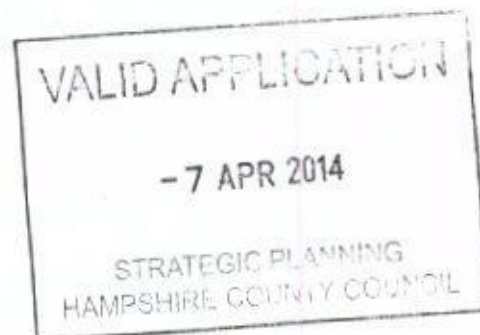

**Temporary use (5 years) of utilities storage depot as part storage depot and part materials recovery facility including the storage and treatment of arisings (hardcore and inert waste) generated by the Southern Gas Mains Replacement Programme to manufacture roadstone for re-use in trench reinstatement works at Harts Farm Way, Langstone, HAVANT Hampshire**

Please find enclosed the Discharge of Condition Certificate for the details submitted as required under conditions 2, 6 & 7 of Planning Permission PP/10/00515.

Should you have any further queries, please do not hesitate to contact the case officer on the above extension.

Yours faithfully,

R. Storey  
Assistant Monitoring & Enforcement Officer

For: Conroy's Group

Application No: APP/10/00515

HCC Ref: HV048

Hampshire County Council, as Waste Planning Authority, for:

Development: Temporary use (5 years) of utilities storage depot as part storage depot and part materials recovery facility including the storage and treatment of arisings (hardcore and inert waste) generated by the Southern Gas Mains Replacement Programme to manufacture roadstone for re-use in trench reinstatement works

Site address: Harts Farm Way, Langstone, HAVANT Hampshire

Granted on: 11 May 2011

considers that the following planning condition(s) has/have been discharged:

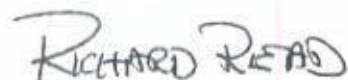

Condition 2 states:

'Within two months of the date of this planning permission a detailed site plan shall be submitted for written approval by the Waste Planning Authority. The plan shall include the exact locations of office facilities, buildings, weighbridge, parking, and storage bays. The approved plan shall be implemented for the duration of the development unless otherwise agreed in writing by the Waste Planning Authority.'

Condition 6 states:

'Within two months of the date of this planning permission details of dust suppression measures shall be submitted to and approved by the Waste Planning Authority in writing. The approved measures shall be implemented for the duration of the development.'

All enquiries should be referred to the Economy, Transport & Environment Department,  
The Castle, Winchester, SO23 8UD  
Tel: (01962) 846746 Fax: (01962) 847055

Town and Country Planning Act 1990

The Town and Country Planning (General Development Procedure)  
Order 1995

Article 21 – Written Notice of Decision or Determination Relating to a  
Planning Application

---

Application No: **APP/10/00515**

Condition 7 states:

'Full details of the vehicle cleaning measures proposed to prevent mud and spoil from vehicles leaving the site shall be submitted, within two months of the date of this planning permission, in writing to the Waste Planning Authority for written approval. The approved measures shall be implemented for the duration of the development. These measures shall be used by all vehicles leaving the site and maintained in good working order for the duration of the development. No vehicle shall leave the site unless its wheels have been cleaned sufficiently to prevent mud and spoil being carried on to the public highway.'

The details submitted on 4<sup>th</sup> July 2011 ; letter dated 23 June 2011 and accompanying plans DTS210611-0M5 (June 2011) & DTS2106110M5Elv (June 2011), as required under condition 2,6 & 7 of the planning permission satisfy the requirements of the condition and should be implemented as approved.
